Senior Preparedness

Get Ready in 4 Easy Steps!

Prepared by the
**Montgomery County Office of
Emergency Management and Homeland Security**
www.MontgomeryCountyMD.gov/OEMHS

1 Stay Informed - Sign up for Alerts!

Sign up for **Alert! Montgomery** to receive alerts. Go to: Alert.MontgomeryCountyMd.gov, or text ‘Montgomery’ to 411911 from your cellphone. Be informed about severe weather, major traffic disruptions, significant power outages, and flooded areas. This is a free service, but check with your wireless plan to determine if text charges apply.

Follow us on Twitter! Subscribe to @MontgomeryCoMD to receive county information during emergencies.

2 Identify Your Support Network

Going through an emergency alone is difficult. Ask at least two people to be your support network—family members, friends, neighbors, caregivers, coworkers, or community/church group members. Ask your emergency support network to:

- Stay in contact with you during an emergency
- Keep a spare set of your keys
- Know where to find your emergency supply kit
- Know how to operate any special medical or mobility equipment you may have
- Help you evacuate or shelter in place in an emergency.

Support Network Contacts:

Get a local and an out-of-state friend or relative that you and your support network can contact to stay informed about you. In emergencies, local phones may not connect, and long-distance calls may work better.

<i>In-Town Contact (Primary)</i>	<i>In-Town Contact (Alternate)</i>
Name:	Name:
Phone:	Phone:
Address:	Address:
Alternate Phone:	Alternate Phone:

3 Make a Plan

Have a written plan that you and your support network can keep in an easy-to-access location. Include in your plan:

- List of your medications (type/dose)
- Special medical conditions
- Eyeglass prescription
- Blood Type
- Communication device/equipment
- Health Insurance
- Doctors/Specialists (contact information)
- Pharmacist (contact information)

Sheltering

For people who have to evacuate and have no other place to stay, county emergency shelters may be set up. Listen to the radio for shelter locations. To find an accessible shelter near you during an emergency, call 311.

Ask someone in your support network to go with you to the shelter.

Shelters will generally provide the following:

- Basic meals and water
- Cots for sleeping and sitting
- Running water for personal hygiene
- First aid and non-emergency health services
- In-shelter security

Shelters DO NOT have special equipment (e.g., oxygen, mobility aids, and batteries). Be prepared to bring your own.

Transportation

In some cases, you will need to evacuate during an emergency and public transportation may not be running. Work with your support network to determine transportation options.

4 Prepare a Kit

'Assemble an emergency kit using supplies you will need to survive for 72 hours. Keep your kit readily available to help you shelter in place in your home or evacuating quickly. Your personal emergency supply kit should include:

Water

Food

Clothes and Shoes

Can Opener

Radio and Batteries

Flashlight and Batteries

First Aid Kit

Medications

Hygiene Items

Important Documents

For more information on what to include in your kit, visit www.montgomerycountymd.gov/MakeAKit.
